1. Para. 127A will be amended as follows :—

In line 1, "or" will be omitted after "stores," and "or supplies" will be inserted after "equipment."

In line 5, after "may" will be inserted "subject to the provisions of para. 127B."

The last sentence will be omitted.

2. The following will be inserted after para. 127A :—

127B. When the value of the deficiency or damage does not exceed 10*l.* in the case of a reserve store, or 5*l.* in the case of an expense store, the superior Officer of the responsible accountant will make a full enquiry into the circumstances in which the deficiency or damage occurred, and will furnish a report thereon to the General or other Officer Commanding, who may dispense with the assembly of a Board or Court of Enquiry, and according to the circumstances of the case act as provided in para. 127A, (a), (b), or (c), or, in the case of a deficiency or damage of expense stores, either allow the responsible individual to pay all or a part of the value of the deficiency or damage, or give authority to write off the loss.

This course is allowed only when the above-mentioned amount applies to the gross deficiencies of any particular kind of stores, not to a net deficiency arrived at by setting the surpluses of some stores against the deficiencies of others.

When the General or other Officer Commanding disposes of the case, a full statement of the circumstances with his decision thereon, will be attached as a voucher to the account on which the deficiency arises.
